***Dial-A-Ride in Woodburn**

by Linda Moro

Have you given up driving your car? Do you need to see a doctor in Portland or Salem, but don't want to drive there? Or can you help someone who needs a ride to a dentist or doctor?

For Woodburn residents who are 55 or older and residents with a disability, the City of Woodburn offers rides to medical appointments outside of Woodburn (for example, to Portland, Salem, Silverton, Lake Oswego, or Oregon City). Dial-A-Ride volunteers provide transportation in their own vehicles, and the City of Woodburn reimburses the volunteers for mileage. Donations are welcome to help support this program, but are not required.

For more information about this service, or if you would like to be a volunteer driver, please call 503-982-7433.
